FYI – Yesterday Midwestern Consulting provided me a revised CLOMR Application for 1140 Broadway that addressed all of my previous comment. I signed the Community Acknowledgement Form today. So, they will be able to submit their CLOMR application to FEMA.

The revisions they made to their application were dated 10-26-17. So, they have been sitting on this application material for 3 month.

Jerry Hancock, CFM

Stormwater and Floodplain Programs Coordinator

Systems Planning Unit

City of Ann Arbor Public Services
