<u>City of Ann Arbor Geodetic Reference System (AAGRS)</u> <u>Coordinate Transformation Worksheet</u>

This document is designed to provide the City of Ann Arbor a datum shift between a Project's local coordinate system and AAGRS coordinates (Michigan State Plane). This information will provide the data necessary to import project infrastructure items into the Ann Arbor Geographic Information System (GIS).

Project Name	:1140 Broadw	ay Street			
Company Name: Midwestern Consulting, LLC			Di	Date Submitted: January 10, 2018	
Contact:	Contact: Paul Kovacs, PS			Contact No.: (734) 995-0200	
From what co	ordinate system wa:	s this project derived?	?	X AAGRS (MI State Plane) Geoid:12A Local coordinates (user defined)	
If a local coord	dinate system was u	sed, complete the Pro	oject Reference Cod	ordinates section below.
